

Welcome to FCBC Yokohama

November 2017

In November we celebrate the 3rd Anniversary of FCBC Sendai. We look back with gratefulness and thanksgiving at what God has done in and through this church. We thank God for everyone of you who are part of this church. We are a spiritual community that God is growing in Sendai.

We are thankful for Youth Bible Club that was started in 2017. We are excited with the small beginning of a group of young people in our church. We want to sow into the lives of our next generation so that they can live godly life and positively influence the nations.

We are thankful to God for helping us to launch the social arm of FCBC Sendai, Dreamcenter. We want to contribute to the welfare and development of youth in Japan. We want to especially help those who are disadvantaged because of their difficult financial background and family. We want to help these youth to succeed in life and have a great future.

We are thankful to God for helping us launch new church, FCBC Yokohama. We now have a rented venue that we meet regularly on Sunday at 3 pm for church service and activities.

(www.fbcyokohama.org).

This month we will baptize our first 2 new members in FCBC Yokohama. In this coming year, we are trusting God to grow this this FCBC family, in numbers as well as deeper in love for God and for one other.

God bless each of us and make us a blessing to this nation of Japan.

Pastor Caleb and Christina
